**HOLLESLEY PLAYERS CHRISTMAS PANTO – SNOW WHITE**

This story comes from long ago. When bedtime tales were all the go And so it was told of a wicked Queen. And just how cruel she has been ... This timeless story unfolds with magic mirrors, an evil queen and her dozy henchmen. The queen, furious that someone is more beautiful than her, sends Snow White into the deep, dark woods with men, instructed to dispose of her and bring back her heart as proof. They set off to the woods, where there is lots of songs and dancing and little forest animals. Snow White finds her way to the little cottage belonging to the dwarfs. They take her in but the magic mirror tells the Queen she has escaped and where she is. The Queen sets off to find and kill her herself. Will the dwarfs help even if they know? Where is the Prince? Will he save her? Lots of laughter with the Yocals and talented cast, songs to join in and sing.

A summary proposal has been published, explaining the proposal and the process [www.eastsuffolk.gov.uk/new-single-council](http://www.eastsuffolk.gov.uk/new-single-council). A council decision will be made by January and the Secretary of State will decide in September 2017.

**Police Matters:** The latest Safer Neighbourhood Team newsletter is available at <https://www.suffolk.police.uk/your-area>. The police mobile unit will visit on Monday 28 November, 2.00-3.30pm in the lay-by opposite the village hall.

**Health Walks:** The new *Stepping Out in Suffolk* health walks brochure is now available. See <http://onelifesuffolk.co.uk/our-services/health-walks/> or hard copies in local libraries. There are walks at every level in the Woodbridge area. These are short, free walks which take between 30-90 minutes.

**Telephone Scam:** One way of avoiding cold calls is to register with the Telephone Preference Service (TPS). However, some criminals are using this to defraud unsuspecting people. People have been contacted by telephone by those purporting to be from the TPS. They either attempt to get you to 'sign up' to the service, for which you will be told there is a charge or that your TPS agreement is about to expire and needs renewing. Both require your personal details and credit card details to be provided. BEWARE - THIS IS A SCAM! The TPS is a FREE service and anyone wishing to register can find more details on their website [www.tpsonline.org.uk](http://www.tpsonline.org.uk). If you suspect you have been contacted by a fraudulent organisation report it to ActionFraud at <http://www.actionfraud.police.uk>.

**Red House Lane:** The flood at the junction of Red House Lane and Long Lane has been reported and logged for attention by Suffolk CC Highways.

**ROY CLARK – COASTGUARD LONG SERVICE AWARD**

In 1949 Roy joined the Shingle Street Coastguard, known as "the Pirates" at HQ. Under the command of the late Eric Andrews, Shingle Street was renowned for its colourful characters and antics, and Roy is certainly one of those, with his sense of humour and uncontrollable giggles when things go wrong.

Soon after joining Roy was involved in the rescue of four German crew members off the coaster "Harlestrand", grounded at East Lane where we believe the Breeches Buoy was used for the last time in Gale 8 winds and heavy snow.

Roy was made Deputy Station Officer in recent years and was concerned to hear that the Station at Shingle Street was to be sold off by the Government. Roy was a stalwart in campaigning to keep it open. However, after five years the Station finally closed. Not giving up Roy showed much enthusiasm in getting the new site up and running and maintaining the traditional Shingle Street team spirit. There is always smiles and laughter when Roy is about.

Congratulations to Roy on recently being awarded a long service medal in recognition of his 40 years' service to HM Coastguard.
