### BAWDSEY VILLAGE GARAGE & CAR BOOT SALE

What a beautiful day for our Village Garage Sale on 20 September! Many thanks to everyone who took part and especial thanks to the tea ladies who did such a splendid job and also thanks to the people who made cakes. We raised £228 (including a £50 donation) for the Amenity Site fund – well done folks!

### BAWDSEY MARKET – SATURDAY 17 OCTOBER – 2.00PM-4.00PM

We were very pleased to welcome the Chairman of SCDC, Cllr Susan Harvey, to September's Market. She said she was really amazed at the variety of products available and praised the community effort involved in holding such an event. So please come along and support local producers at our friendly market. There will be three new stallholders - two food producers and one offering artisan furniture. Think ahead to Christmas - this would be a good time to speak to our stallholders about meat orders, special food items, a personalised gift or card or maybe make up your own Bawdsey Market hamper. Take the opportunity to deal direct with the supplier. Our market on 17 October, is the final one of the season but we will be holding a Christmas special on Saturday 12 December 2.00-4.00pm. Full details from Christine or Susan or [www.bawdsey.onesuffolk.net/bus/Market](http://www.bawdsey.onesuffolk.net/bus/Market).

### FARM TRAFFIC

Bawdsey Parish Council has been notified that there will be more tractors and trailers on the road in the first two weeks of October due to the sugar beet harvest. There could be up to 180 movements during this time. Villagers who can park off road are encouraged to do so. Hedges have been trimmed back along Ferry Road for greater visibility but care should be taken around blind bends along this route.

### BAWDSEY HARVEST SUPPER

*Two Course Meal with sherry and wine*

*6:30pm Saturday 10 October 2015*

*Tickets £10 for adults - £5 for under 12s*

### RAMSHOLT HERITAGE DAY – SATURDAY SEPTEMBER 19 2015

Thank you to Jo Smellie and her helpers for organising such a fabulous day – A detailed write-up in will follow in November's Bulletin.

## ST MARY'S CHURCH NOTES

**Services - Sunday 11 October** 11.00am Holy Communion led by Rev Michael Hatchett. This service will mark the centenary of the death of Nurse Edith Cavell who faced the German firing squad on 15 October 1914. She often visited her grandparents and uncle at Bawdsey Hall who have burial plaques on the left hand side of the chancel. There is a framed tribute to Edith and a fellow Red Cross Belgian Nurse beneath. The Parish Council requested that this local heroine be remembered by the name of the Close off East Lane. **Sunday 25 October** 11.00am Morning Praise – a revised service which now incorporates a Psalm and the Peace. Led by Reader Lydia Calvesbert and Elder Joy Andrews.

**The Battle of Britain Service** attracted a good congregation and the sum of £156.29 was forwarded to the RAF Benevolent Fund.

**The Harvest Festival Services** were also well attended and Joy and Mike Andrews conveyed an impressive number of boxes of tins, dry goods, etc to Woodbridge Salvation Army for their Foodbanks. A very creditable collection was donated by Bawdsey Primary School at their service on the Friday followed by further donations by parishioners on the Sunday. Sincere thanks to both parties for their generosity.

**PLEASE NOTE** The gates of St Mary's leading to the Churchyard were erected in 1980. After 35 years they are beginning to break up. Sadly the PCC would ask that they are LEFT OPEN as, once shut they have proved VERY DIFFICULT TO OPEN.

### OTHER CHURCH NEWS

The Hollesley Community Café reopens on Saturday 24 October at Hollesley Village Hall, 9.30am-12.30pm. Tea, coffee, cake, bacon/sausage baps, full English breakfast plus stalls, in aid of local charities. Offers of cakes/help to Rev Ruth please 412052 ruth.hatchett@yahoo.co.uk.

Rev Janice Leaver, from Rendlesham, and Rev Ruth are travelling to Calais on 6 October taking a car full of winter supplies for the migrants camped there. We are looking for donations of men's shoes/trainers/boots (Euro sizes 41-46/UK 7-10), jackets (medium or small sizes), tracksuit bottoms/jeans, (waist 28-32), woolly hats and gloves, toiletries (toothpaste, toothbrushes, soap), travel bags, tents/tarpaulins, sleeping bags, torches. Items may be left in any of our churches.

An open invitation to Hollesley Church, Saturday 31 October, 10.00am-Noon to look at suggestions from the Churches' planning group as to what the congregations of the Deben Seven consider their local Churches should be focusing on in the future. What would you be interested in being involved in? Come and have your say!

### PARISH COUNCIL NEWS

The phone box, which has long been out of order, has been reconnected. It has been saved from the BT axe because of the poor mobile coverage in the village but will only take card payments. However in an Emergency, 999 calls are free.

Now that the nights are drawing in and you may be topping up your oil tanks ready for the winter chill, please make sure your tanks are locked to deter thieves.

SCDC's Coastline Lite newsletter, containing lots of interesting articles, is now available on the website under News - <http://www.bawdsey.onesuffolk.net>.

The Suffolk Philharmonic Orchestra may present a daytime concert in Alderton next year if there is sufficient interest. If you'd be interested in attending please let Parish Clerk, Jenny Webb, know. Tel: 410198 or email [bawdsey-pc@hotmail.co.uk](mailto:bawdsey-pc@hotmail.co.uk)

## BROADBAND ON THE WILFORD PENINSULA

Wilford Broadband has been striving for faster Broadband for several years and has delivered wireless Broadband in Hollesley, Shottisham and Shingle Street, but the bandwidth is limited which restrains the number of customers. The not-for-profit Suffolk Superfast Broadband Community Interest Company has now been formed, obtained grants and installed kit on the Foxhall Road tower. This tower will be operational later in September and will deliver 600MB from sources in London to our part of Suffolk. Wireless has the advantage that it can serve a large area of the countryside without a lot of expensive infrastructure such as cables/fibre/telegraph poles. This means that customers will shortly be able to obtain 15Mbps download and upload for £15/month. In addition several Hollesley villagers are already getting their phone service through the wireless network from Vonage for just £7.50 a month. The CIC is currently seeking further tall structures, such as church towers, for relaying the signal to more parishes to the north and east. Boyton is privileged to be shortly receiving fibre to premises. BT and Better Broadband for Suffolk are paying for this, but it is very unlikely that it will be repeated elsewhere in our area without considerable costs.
