Dear Resident

I am delighted to be back as your District Councillor. The council now stands as 16 Green, 15 Conservative, 12 Labour, 11 Liberal Democrats and 1 Independent. The Greens, Lib Dems and Independent have formed a coalition. I will of course be continuing the focus on the environment - water quality and biodiversity in particular - and making sure decisions benefit our community.

Over the last year I pushed hard to implement a number of important initiatives, small changes perhaps but the start of a bigger impact. Small electrical recycling bins, allocation of spring bulbs under our East Suffolk blooms campaign and an increase in the number of 'Pardon the Weeds' sites. Much work continues in Lowestoft to deliver improvements – third crossing, sea defences and beach huts.

I have been Chair of the Suffolk Waste Partnership for a number of years and have worked hard with officers to investigate and prepare for new collection streams, bins and vehicles. I hope very much my vision of environmentally sustainable communities continues and will make sure I continue to lobby Suffolk County Council, our MPs and all stakeholders to support these aims.

Your views and concerns are important and I will continue to offer guidance and signposting and will articulate your views through the processes of East Suffolk. Any issues please do not hesitate to contact me, I'm here to help!

BAWDSEY SCHOOL UPDATE The Coronation Celebration by Hetty

On Friday 5 May (the day before the Coronation Day) everyone at school dressed in red, white and blue. We had lots of fun celebrations at school! After the Bawdsey Bolt, we went inside to paint a huge tapestry to remember the King's Coronation, I did the King's guard, they were all very good. After, we got to set up for the picnic and we were very lucky because it was a sunny day. All the parents/carers came to it. There was bunting and everything. After that, we could play together and have fun. In the afternoon, we had a great afternoon playing rounders, English games and used the parachute. Class 3 had face paints and it was a brilliant day. I hope you had a good day celebrating the Coronation.
