BAWDSEY OPEN GARDENS – SUNDAY 17 JUNE NOON-5.00PM IN AID OF ST ELIZABETH HOSPICE

Look out for the signs and directions outside the Village Hall and at the war memorial car park.

WAR MEMORIAL

After our clean up session on the memorial ready for the anniversary marking the end of WWI, it became clear that some improvements had to be made to make it safe and readable. We have therefore engaged the services of F Masters Stone Masons in Woodbridge to undertake the work. This includes picking out all the lettering in black to make it readable, professionally clean the memorial as it is badly stained with black algae, and repairing the plinth which has suffered frost damage. This will all cost £1,000, so we are asking if people would like to donate towards this cost to bring the memorial to a presentable level and be something we can be proud of. At a later date we want to improve the surrounding area around the plinth to make it easier to keep tidy and presentable and improve access to the recreation ground.

If you would like to donate please contact John Temple (410082) or Rawdon (411459). There will also be a stand at the fete where donations can be made.

Messy Church on Saturday 16 June has been cancelled at All Saints, Hollesley from Noon-2.00pm due to staff holidays. But will be back to normal on Saturday 21 July. See you there with usual activities and lunch provided.

Churchwardens Following the election of the PCC (Parochial Church Meeting) the Church Wardens were elected for this coming year. Lydia Calvesbert and Marilyn Turner were 'sworn in' at the Archdeacon's Visitation at Grundisburgh Church on Thursday 17 May. As custodians, enquiries are welcome on church matters.

A New Flag on the Staff Following the offer of David Baker to take over the role of 'raising the flag' on the Church tower for public holidays etc, its first inception proved to be for the recent wedding of Harry and Meghan. It certainly proved itself in the light breeze! Thanks go to all those involved in ensuring the pole was safe, plus the purchase of a good quality flag that would ensure the exercise for the future.

Our Churchyards With spring, plant and animal life in our churchyard moves into a new phase of growth. Those who work to maintain our churchyard show respect to the people who are buried there and provide a suitable setting for the church and the special occasions it hosts. The churchyard is managed in line with the recommendations of Suffolk Wildlife Trust enabling plants that have flourished locally for many years to survive and in turn to provide food for bees, which in their turn pollinate the plants that provide so much of our food plus our churchyard also encourages insects, essential food for the birds.

PARISH COUNCIL NEWS

Speeding Issues: At the last PC meeting, the council agreed to purchase a SID device and to join the local Speedwatch initiative. The latter is being coordinated by Rob Johnson of Tailor's House. SCC Highways and the Police have to approve sites for the SID but it is hoped it will be operational by July. This will be paid for by locality grants from SCDC and SCC councillors and a generous donation from PGL. These measures are seen as educational rather than punitive and it is hoped they will help to counter speeding in the village. There are still a few dustbin stickers available. A succession of reminders every Thursday does help.

Casual Vacancy: Following the resignation of Susan Temple, there is a vacancy on the parish council. If you would like to be considered, please email your details to the Clerk at Bawdsey-pc@hotmail.co.uk or if you would like to know more about the role of councillor, please get in touch on 01394 410198.

Finance: The council's accounts have been approved by the internal auditor and have now been sent to the external auditor. The period for viewing the accounts is Monday 4 June-Friday 13 July. A notice to this effect will be on the PC noticeboard.

War Memorial: The parish council has given a grant to the Village Hall and Recreation Ground Committee for the cleaning of the war memorial.

East Lane: The Environment Agency will be doing maintenance work on the sea wall at East Lane this summer.

Letter from Nikki Berry - Road works in Ferry Road – 11 to 20 June 2018

We previously wrote to you informing you of a full road closure under a TO15 traffic management system. However, to enable access to be maintained on Ferry Road during the works, we will first install two temporary passing bays either side of the road. The passing bays will be installed from 11 June and work will take about one week to complete. Thereafter contractors will begin trenching work across Ferry Road to install the ducts. During this period, there will be a lane closure on Ferry Road controlled by traffic lights. Traffic will be diverted along one temporary bay while contractors work on a section of Ferry Road. As work progresses, the diversion will be switched over to the second passing bay to allow the team to continue excavating the road. The trenches will be backfilled and the road re-surfaced before being re-opened to the travelling public. There will now be no full closure of the Ferry Road and it is expected to be back in normal use by 20 June.

I apologise for any inconvenience. Please contact me if you have any questions.

WILD VILLAGES

Enjoying the wildlife in Bawdsey, Alderton, Hollesley and Boyton

'If we and the rest of the back-boned animals were to disappear overnight, the rest of the world would get on pretty well. But if the invertebrates were to disappear, the world's ecosystems would collapse.' So said Sir David Attenborough and I'm not going to contradict the great man!

National Insect Week starts on 18 June; see www.nationalinsectweek.co.uk/ for more detail. To do our bit, we'll be having an enjoyable and informative walk along the seawall at Bawdsey, on Wednesday 20 June at 11.00am. Lead by Tim Gardener, an expert from the Environment Agency, we'll be looking at the wildlife that thrives on and around seawalls, particularly those important insects. We'll meet at the car park at the end of East Lane (TM357402) and probably walk north.

Visit our Facebook page (<https://www.facebook.com/wildvillages/>) or webpage (www.groundwork.org.uk/wild-villages) for more information and for posts on matters of local wildlife interest. If you have any questions, contact Gary Lowe, Project Officer (Email: gary.lowe@groundwork.org.uk; tel: 07736 132871).

PENINSULA 2018 POPPY PROJECT

www.peninsula2018.org

Community Arts Project – What does the end of the First World War look like to you? Is it a watercolour of a poppy in a Flanders Field; a charcoal drawing of a soldier's silhouette in prayer or a sculpture depicting those left behind? We would like to invite artists, crafters, sculptors, ceramicists, enthusiastic amateurs and established artists alike to create their own artistic response to the end of WWI for an exhibition to be held at The Suffolk Punch Trust 4-11 November. See the above website for more details and an entry form.

We Need Poppies and Lots of Them If you can knit, crochet or sew we would love your help to make poppies. See the website for patterns and please drop your creations off at Church Farm, Hollesley, IP12 3RG (next to the Church). Fiona's Fabrics in Woodbridge will give anyone buying products to make poppies 20% off if you mention the project.

Open Air Cinema Tickets for the showing of War Horse on Saturday 1 September at the Sutton Hall Estate are now on sale. Visit the website for more information or email jenny@peninsula2018.org.

Poppies in Tangham Forest The tree poppy trail is well underway, however, we need your plastic bottles in order to make the poppies. Please leave your empty water bottles at Hollesley Village Stores or why not have a go at making some yourself? See the website for instructions.

There's a whole host of other activities being planned, details of which can be found on the website.
