

## Village Hall and Recreation Ground Report January 2017

- Firstly a very big thanks to Chris Mann for cutting the hedges on the recreation ground last week at no cost to us. A splendid job which will not now have to be done again for a few years.
- The supports of the zip wire have come loose in the ground and will have to be re-cemented in. The cheapest quote we have had is £1,000 which will be actioned ASAP.
- We also agreed to put in a set of stairs from the storeroom to the attic, where there is a large room not really used. Probably the emergency equipment will be moved up there.
- Next month we will be advertising a small piece of the allotment at the back of the hall to anyone who is interested in growing stuff.
- We have been letting out a small lockable room in the pavilion which has now finished, so we will be advertising that as well.
