

BAWDSEY VILLAGE HALL & RECREATION GROUND COMMITTEE

A very successful fete with us making £4200, £4600 last year a record year, despite the very strong winds. We had lots of help luckily, we can never have enough in setting up and particularly at the end when want to get home. The trucks are most important to move stuff onto and off the field, thanks to Mark, Terry and James. We were also helped by Terry Butcher opening the fete which brought people in despite the weather.

We have ordered new replacement doors at the back of the hall, and we are trying to find someone who will make up some stairs to make going up to the room in the loft easier. We are going to invest in some new tables to replace the small tables outside the kitchen.

We have been approached by Imfootball Academy to run 3 mornings in August for girls & boys 5-12 to do football, tennis, cricket and basketball on the recreation ground as a trial to see how it goes.
